

Supports:

Special supports for students eligible for the SOAR program include mentors, career counseling, case specialists, and modified learning plans – dependent upon need.

Employment Needs:

Lively Technical College partners with Vocational Rehabilitation to address employment needs such as career planning, internships/work based learning opportunities (paid and unpaid), completing resumes, interview skills, and job placement (with support).

Fundamental Foodservice Skills

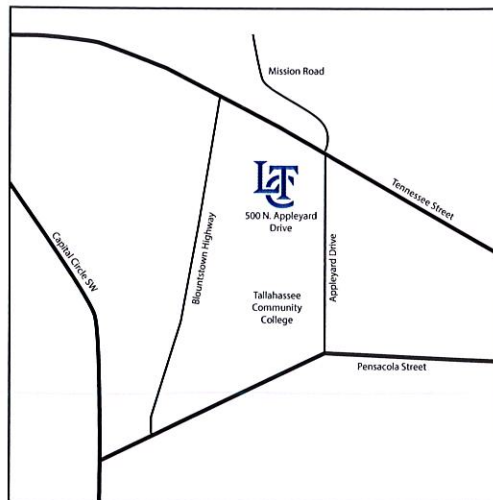

“You’ll be on your way up.

You’ll be seeing great sights!

You’ll join the high fliers who

SOAR to high heights.”

~ Dr. Seuss

SUCCESS FOR OCCUPATIONAL AREA READINESS

The SOAR program is an inclusive, one-year certificate program offering a post-secondary experience to students identified with an intellectual disability on the campus of Lively Technical College.

SOAR Eligibility:

Students eligible for the SOAR program have a documented intellectual disability. Potential students are young men and women who aim to become independent, productive, working members of society. SOAR students are able to effectively read and write, manage a busy schedule, and navigate the campus. Eligible students should have the ability to work successfully with other students.

*All eligible students must have independent living skills.

Automotive Service Technology

Nails Specialty

How to Apply:

If you believe that you are eligible for the SOAR program, please contact Judith Husband, Program Coordinator, for an application.

Call: (850) 487 - 7456

Email: husbandj@leonschools.net

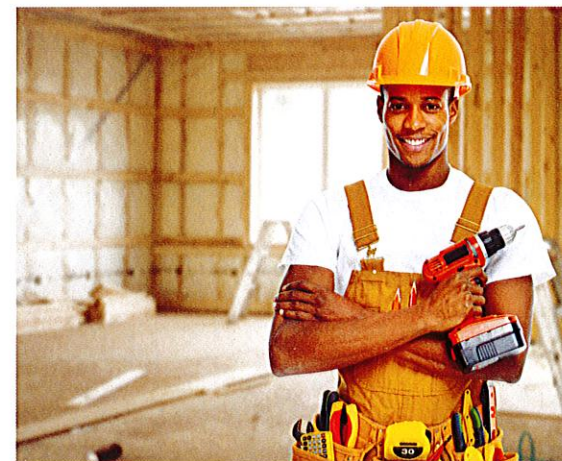

To read more about the offered programs visit: livelytech.com
