

Seahawk NEST ACADEMY

Navigating Possibilities

Seahawk NEST

(Navigating Education for Student Transition)

is a three-year program for students with intellectual disabilities offered at Broward College's North Campus and Judson A. Samuels South Campus.

Provides students an inclusive post-secondary education program.

Prepares students for employment through degree, certificate or non-degree programs.

Empowers students to become independent in self-advocacy and life skills.

Students who successfully complete the Seahawk NEST program will earn a Broward College Professional Certificate. Eligible students must be 18 years of age, have a high school degree or equivalency and a documented intellectual disability.
